About Us

Tristar Physical Therapy, providing physical therapy services throughout East Tennessee, with locations in Maryville, Morristown, Bean Station, and New Tazewell, Tennessee. At Tristar Physical Therapy, it is passion to keeping you moving, healthy and pain free.

Our dedicated, well-trained and experienced staff members are dedicated to offering you effective, evidence-based care that is customized for your unique needs and challenges.

We deliver all of this in a welcoming and comfortable environment complete with modern modalities.

We are a direct access clinic, meaning that you do not have to have a doctor's referral to book an appointment with us and insurance will cover as they would if you had a doctor's referral. You can even book a same-day appointment.

Our services include dry needling, back and neck pain therapy, sports medicine, orthopedics, and pre and post surgery rehabilitation, and many more.
